

## Under 25 with learning needs and/or a disability?

## Need advice and support with your education?

### We can help you.

---

- Finding lessons hard?
- Getting into trouble at school or college?
- Difficulty being 'heard' or getting your views across?

We will **listen to you** and offer **confidential** advice and information.

### Our team have lots of information about...

- The support you should get
- What the law says
- What to do if you have problems getting the support you need

You can **phone**, **email** or **message** us with your questions and we will answer you as soon as possible.
