Thank you for your interest in this event. With the ever changing situation of the Coronavirus pandemic in the UK we will be reviewing our events on a regular basis. This means that we may make a judgement to cancel the face to face event nearer the time for the safety of the community, and our students, visitors and staff.

These will be replaced by online options should this happen, and communications will be sent to you. To avoid disappointment, please ensure to check our events page to confirm the status of our event on the day, before travelling to one of our campuses. You can still book onto events and we will send updates if the event is cancelled or postponed. Where events proceed precautions will be in place to ensure it complies with government guidance.
