How best to support me...

- Bring me copious cups of tea if I look tired.
- If I am worried I talk really, really fast, please ask me to slow down and take a deep breath.
- If I look like I need help I probably do but I won't ask so please ask me.
- If you are using my office please leave it tidy as I am a bit of a neat freak.
- I like to know if I am doing a good job, it helps to motivate me.
- I forget people's names, please don't take it personally, names get stuck on the tip of my tongue.
