

## PE Premium at Churchill School

Since September 2013, funding has been provided directly to schools to be spent on improving the quality of sport and PE for all children.

This funding, from the Departments for Education, Health and Culture, Media and Sport, is ring-fenced and therefore can **only** be spent on provision for PE and sport in schools. We will be held accountable for how we have used the additional funding to support pupils progress and participation in PE and school sport. We are required to publish on-line information about how we have used the additional funding, including details about our sporting provision alongside curriculum details. This will ensure that parents/carers and others are made fully aware of the PE and sporting provision at Churchill.

### Allocation

For the academic year Sept 2013 – August 2014 (based on our primary aged pupils) we received an amount of £833.

### Spending

We believe in a holistic approach to the development of sport and physical activity for all and encourage collaboration and partnership working to make the best use of resources and enhance PE and sport provision in order to raise participation and achievement for all pupils.

Our rationale for the use of Sports Premium funding, is that it must be used so that:

- all children benefit regardless of sporting ability
- the most able children are given the opportunity to compete in tournaments with other schools
- staff have access to training opportunities and continued professional development
- some activities may be subsidised so that pupils do not miss out due to financial constraints e.g. swimming
- we make use of collaborative and partnership working

With the above rationale in mind, and following the guidelines for how to spend this money, our initial plans for the use of the Sports Premium funding was as follows:

Activity/Event	Cost
<p>Equipment to allow outstanding, high quality physical activity to take place on a daily basis. We have bought:</p> <ul style="list-style-type: none"> <li>• Basketball hoops</li> <li>• Beanbags</li> <li>• Ropes</li> <li>• Hoops</li> <li>• Balls</li> <li>• Bats</li> <li>• Scarves</li> </ul> <p>Equipment has been vital in enabling pupils the opportunity to take part in sporting activities.</p>	£200
<p>Hire of the local sports Centre for an afternoon for a sports afternoon where pupils engaged in a number of activities including:</p> <ul style="list-style-type: none"> <li>• Tennis</li> <li>• Goal strike</li> <li>• Speed stacking</li> <li>• Target throw</li> <li>• Standing long jump</li> </ul> <p>All pupils took part in the event and a significant number of parents came and observed. Pupils were supported by young sports leaders from Samuel Ward Academy. Feedback from parents and pupils was very positive.</p>	£54
<p>Specialist PE teaching from a member of the Academy PE teaching staff. All pupils have been taught by Mr Sari weekly. He has selected activities with care and planned sessions which have met the needs of pupils. Activities have included:</p> <ul style="list-style-type: none"> <li>• Trampolining</li> <li>• Boccia</li> <li>• Tennis</li> <li>• Football</li> </ul> <p>This has had a significant impact on our pupils who are now more active during PE lessons. All pupils are now participating in PE lessons where previously they were not. They are changing into appropriate clothing and participating in directed activities.</p>	£579

For the following year (2014/15) we intend to

- add investment in the professional development of staff at our school so they are best equipped to teach high quality Physical Education and school sport for years to come. This will include providing cover to release staff for professional development in PE and sport.
- setting up and running at least one new after school sports club/Change4Life sport club.
- supporting and engaging the least active children through new or additional sports and physical activities during the school day.
- increasing the amount of competitive sport in which our children participate - increasing pupils' participation in inter school competitions
- encouraging our children to improve their leadership skills through sport – through sports leader initiative.
- purchasing equipment to offer access to new sports and physical activities as relevant

### **Impact**

We will continue to evaluate the impact of the Sports Premium funding as part of our normal self-evaluation and provision mapping arrangements. We will look at how well we use our Sport Premium to improve the quality and breadth of PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

Measuring the impact of the activities provided with sports premium funding can be achieved in different ways. We will look at progress in PE as well as other areas of development such as self-esteem, confidence and the numbers of pupils involved in sporting activities in and out of school. Assessments are made both formally and informally using our school assessment systems as well as feedback from staff and visitors to the school. We will also evaluate the impact of professional development opportunities in improving teaching and learning in PE.
